The **WESTERN HERITAGE AWARD** recognizes individuals and organizations who have made significant contributions to the art, culture, and legacy of our American West.

The Autry National Center of the American West is pleased to recognize **KIRK DOUGLAS** for his impressive body of work in Western films and the **NATIONAL PARK SERVICE** for its exemplary stewardship of unique public lands that personify the beauty and idealism of the American West.

Proceeds fund the Autry National Center of the American West's education and outreach programs that serve thousands of students, families, teachers, and scholars each year, and support the Autry's art and artifact acquisition fund.
